Welcome and thank you for joining us at Greek Village. Whether it's your first time or not thank you for your support in making our village the annual success it is.

Congratulations to the Multi-Cultural Council on 50 successful years of Carousel of the Nations! Partnering with the MCC for the Greek Village for the last 50 years just makes sense. Our community was built by immigrants who took a risk to leave what they knew behind in hopes of something more. With the MCC helping immigrants like our founding members settle into their new surroundings and helping them find their way in Windsor/Essex how could we not partner with them to help pay it forward.

For the nearly 70 years that our community has been part of Windsor/Essex, we have watched not just our community grow but other cultures find roots in the region and a big part of that is because of the MCC and the work they do. The Carousel of the Nations is a big part of that work. Showcasing the vast diversification that the region has to offer, letting everyone in the region know that it's a region of many has helped pave the way for so many cultures to form roots here.

Speaking with Past Presidents and elders of the community I was reminded that festival events have always been a part of our community's blood, even before the Carousel of the Nations. From booths at the Freedom Festival, to booths across the river at Heart Plaza, for years we have used festivals to showcase the Hellenic Culture. So being part of this event for the last 50 years has always made sense.

From our community's humble beginnings in the basement of our first church at 65 Ellis Ave, to our current facilities to which you join us at today, our community has used the Greek Village as a staple in not just our own community, but also in the community abroad. We look forward every year in welcoming you all and showcasing the Hellenic Culture through our food, and dance, teaching the Greek Orthodox way of live with our Church tours. The culture and faith all tie into a way of life that Greeks of lived by for many years and we showcase it each year at Greek Village. Philotimo. What is Philotimo? It's a word that was no true definition and the best way to describe it is, "A philosophy embraced by the Greek people that embodies empathy, compassion, and generosity". There is no real way to explain or describe it. It simply has to be lived and experienced. So, with that, I hope you have all throughout the year experienced Philotimo from the Greek Village and continue to do so over the next 6 days and for years to come.

I will wrap this up by saying, καλωσορίσατε, welcome, enjoy yourselves and again, congratulations to the MCC for 50 years of Carousel of the Nations, and as we say in Greek να τα εκατοστήσεις, to 100 years.

Dear Friends,

It is with a full heart that I welcome you to the 50th Anniversary of our Greek Village at the Carousel of Nations. What a blessing it is to reach this milestone together. For half a century, our Community has shared its culture, hospitality, and Orthodox faith with joy and love, and it's all been possible because of you.

Thank you! Truly, thank you for your support, your presence, your prayers, and for some, your countless hours of volunteering over the years. Whether you've been with us from the beginning or are visiting for the first time, you are part of our story, and we are grateful.

This year, we have something special to share with you. I warmly invite you to come by our Church and experience the new iconography that now graces our walls. These holy images are not just decorations. They are a beautiful reminder of God's presence among us, and they draw our hearts upward in prayer and awe. I hope they bring you the same peace and inspiration they've brought to our Church.

As we celebrate this joyful occasion, may we continue to grow in love for one another and in faith in the One who holds all things together, our Lord Jesus Christ.

With love and gratitude,  
Rev. Fr. Evangelos Aravantinos  
Greek Orthodox Priest of  
Holy Cross Greek Orthodox Church

"CONGRATULATIONS TO OUR FRIENDS IN THE GREEK COMMUNITY FOR BEING AN ESSENTIAL PART OF CARROUSEL OF THE NATIONS FOR FIFTY WONDERFUL YEARS. WE ARE SO PROUD OF THE RELATIONSHIP WE HAVE BUILT TOGETHER.

## Greek Community's Terpsichorean Dance Group

Terpsichorean Dance Group GOCW Summary The Terpsichorean Dance Group is our community's official dance group. The name of the group is derived from "Terpsichore", the Greek Muse and goddess of dance and chorus. The dance group was established in the 1960's by Mr. Emmanuel Vichos, who directed the group for many years. Under the directorship of many wonderful directors and instructors through the years, the group has continued to perform together until the present time. Dance plays an important role in Greek life. Throughout history Greeks danced to prepare for war, to celebrate victories, at religious festivals, weddings, etc. The dances that our groups perform are deep rooted in the traditions and customs of the various regions of Greece. Every dance has a story. We enjoy telling each story and expressing our love for our beautiful culture, dance, music and costumes.

## Guest Performers

The Greek Village celebrates the spirit of multiculturalism and warmly welcomes these special guest performers!

### Slovak Dance Groups

### Tatry Dance Ensemble (Polish)

## History

Did you know that the Windsor Chapter of Philoptochos has been around for over 80 years?

In 1939, before the Greek Community of Windsor became a formal organization, a group of ladies from Windsor-Essex came together and established an Educational and Philanthropic Group named, O PLATON

The mission of PLATON was to educate and serve the local community through charity and good deeds.

In 1955, the members of the PLATO society donated \$1500 (1/2 of the cost) to the newly formed Greek Community of Windsor to purchase the property on 65 Ellis St E. On that land the first Holy Cross Greek Orthodox Church of Windsor was established.

In 1981, PLATO Society officially became Greek Orthodox Ladies Philoptochos Society, PLATO. Regardless of the name change, the group has always stayed true to its values, a mission of charity and philanthropy, always helping all people in need.

## Congratulations!

The Greek Orthodox Ladies Philoptochos Society, PLATO would like to congratulate the Greek Orthodox Community of Windsor for 50 successful years of hosting the Greek Village for Carrousel of Nations

We thank you for your tireless work and value our collaboration for the advancement and improvement of our community!
